**"I'll take it"**

**At home  
the  
antique  
suitcase  
contained**

**upon**

**closer**

**inspection:**

**someone's**

**photo**

**contact**

**sheets**

a matchbook. Caroline was intrigued, but it was late.

**Next afternoon Caroline found time to find**

**the address; its only tenant  
answered her  
questions**

**He didn't know**

**She was  
discouraged  
overall**

**"I don't know..." he said**

**"...why she is...?"  
he thought through the door**

**There is a  
reputable**

**Chinese  
restaurant  
and its  
cleanliness**

**oversaw**

**Caroline,**

**who was  
discouraged  
overall**

**Happy**

**Family!**

**He looked familiar**

**Stopping him,  
"You look familiar" she**

said, showing him

"...meddling! I..,"

he thought  
in the background

**"Where did you**

**get these I really have to go can I meet you Tuesday?" he said and quickly left**

**Caroline would meet him at "Friendly Help" coffee shop, "where the help is always**

**courteous," as their television ad always said**

**That night Caroline dreamt wildly**

**Wok!**

*The Friendly Help*

oversaw Caroline

**TV: "...overalls at blowout  
prices until 10 pm Saturday  
or else [slam!]. "If you like  
courteous service.."**

**the cook ("I'm sick of our ad!") changed the station**

**Caroline thought**  
**"I can't believe I saw him Sunday and now he..."**

**TV:**  
"..has been  
missing  
since  
Sunday."

"I don't know..  
..why she is.."

**Caroline**

**knew**

**she**

**could**

**find**

**answers**

**at the**

**school**

**he**

**had**

**attended.**

**There are places I can go to get answers**

**I may need to go to several places...**

I  
may  
need  
to  
spend

**much of the day**

THE THRIFT

looking

**In the library**

**"At last the answer!"**

**Caroline knew evidence  
when she saw it**

**"Meddling! but I've got news for you!"**

**"Not  
so  
fast  
Roscoe**

**you're going to jail!"**
